Explanation

Prophet Muhammad (S) is the last of all prophets. His father died before he was born. He lost his mother when he was only 6! Can you imagine, he grew up as an orphan! So he knew how hard it was to live without a mom or a dad. But he had someone with him all the time to help him. Yes, you are right. He had Allah as a guide, a helper. Allah helped him when he was an orphan. Allah guided him when he was trying to find ways to help and rescue people from ignorance. He was poor, still he helped other people who were in need. He was nice to everyone, even when someone was bad to him. Allah promised him, his future life will be better than his past life. And it was true! Allah made him the greatest leader on earth! Allah asked him to make sure he remembers Allah all the time to please Allah. So we should follow our prophet. We should be nice to everyone, no matter they are good or bad to us. We should try to help people as much as we can. And we need to make sure we remember Allah and praise Allah for all the blessings we have. We need to be grateful to Allah for our parents, friends, yummy foods, all the toys and everything we get from Allah.
